Our teachers - for the academic year 2018/19, updated in January 2019 to reflect staffing changes

Your child’s class teacher is always the first point of call at school, as it is they who know your child best. In addition to two parents’ evenings each academic year, your child’s teacher writes individual reports every term. He or she is also available to meet with parents at any other points in the school year.

A list of all classes and teachers is provided below. All year groups are also able to access the support of Teaching Assistants, who are trained in order to be able to best support the teachers. The names of additional support staff are provided on the next page.
