Thursday 13th September 2018

Dear Parents / Carers,

In order to provide an engaging, contextual and thought provoking wider curriculum, Selwyn school endeavours to organise as many educational visit as possible. These can range from a walk around the local area in year 1, discovering its history and the people who live there, to a whole day trip to the Tower of London in year 6, taking part in historical workshops and studying ancient relics. To ensure our children's safety and enjoyment during these visits, we will need to enlist the help of parent/carer volunteers.

If you would like volunteer, please fill in the slip below and come in to school on **Monday 17th September** at **14:15** to go over Selwyn's procedures and policies. We greatly appreciate you giving up your free time which in turn helps us provide the best possible experiences and education for the children.

Mike Boxall
Educational visits coordinator

My name: _____
My child: _____ in class: _____

I would like to volunteer to be an additional adult for Selwyn schools educational visits.

I will be attending on **Monday 17th September** at **14:15**.
