## Highlights of the week

Last Monday, Idris, Mahrabuddin, Obed, Iftekhar, Musa, Muhammad A, Martis, Kuba and Raees from years 5 and 6 represented the school in a football match against St Luke's primary school.

The boys put in a valiant effort, but it turned out that St Luke's were too strong for us and on the day we unfortunately lost 7-0. Selwyn created plenty of chances, by playing some lovely football with good teamwork and should be proud of their efforts. On a couple of occasions we came extremely close to scoring, in particular with Kuba's free kick and then Musa with a shot just over the crossbar with only seconds left to play. Although a high number of goals were scored, Selwyn goalkeeper Idris made some fantastic saves too. At the end of the game, the PE Teacher of St Luke's said that we played some fantastic football and the final score wasn't a fair reflection of how the game was played. The man of the match was Kuba. He worked very hard throughout the game, helping out in both attack and defence as much as possible, which is brilliant to see from a Year 5 student, against a school team made up of all Year 6 boys. Well done Kuba! This Monday we will play St Luke's again, this time here at Selwyn and the boys are keen to give their all and make amends for the defeat on Monday.

This week we launched the Daily Mile. Each day, all members of our school community are invited to walk, jog or run for 15 minutes with the aim of improving overall health and fitness. Children, staff and parents have welcomed the challenge with many of them joining in every day. Children have stated that they really enjoy being active in the mornings and parents have said that their children are excited to get to school so that they can join in. As an additional bonus, those children who attend on a regular basis may well win a free swimming ticket to the London Aquatics Centre in the Olympic park. Names of those children will be put in to a hat, and during the last week of this half term 12 names will be drawn a random. So keep up the good work and good luck, you might be lucky enough to win.

### **Safeguarding**

Parents, please talk to your child about staying safe online. Below are links for you to access information about online safety:

Thanks to **Ms Leahy** and **Mrs Elliott** for organising the international visitors on Thursday and to those teachers who hosted our guests. They really enjoyed touring the school, observing lessons and the approaches to learning that we use at Selwyn as well as, of course, looking at the children's books and having the opportunity to talk to pupils.
