

Selwyn – our staff team

Effective September 2018

**Leading
Learning Trust**

Selwyn Primary School is part of the Leading Learning Trust

Our teachers - September 2018

Your child's class teacher is always the first point of call at school, as it is they who know your child best. In addition to two parents' evenings each academic year, your child's teacher writes individual reports every term. He or she is also available to meet with parents at any other points in the school year.

A list of all classes and teachers is provided below. All year groups are also able to access the support of Key Workers, who are trained in order to be able to best support the teachers. The names of additional support staff are provided on the next page.
