## Homework 'drop in' sessions

Dear Parents / Carers,

To support you and your child to complete their homework to a high standard we will be running homework 'drop in' sessions from next week. These sessions will run on a **Monday, Tuesday & Wednesday morning from 8.30.**

As every child receives their homework on a Friday we expect anyone who comes to one of the sessions to have made an attempt at their homework activities at home.

The purpose of the sessions will be to support children to:

- Check through homework
- Explain any questions that children may find difficult
- Support children to complete unfinished questions

These sessions are for any child in years 1-6 and any day can be chosen.

Y1/2: 3G

Y3/4: 3B

Y5/6: 5B

Should you have any questions about the 'drop in' sessions then please do not hesitate to ask your child's class teacher.

Yours faithfully,

Helen Mawer  
Head teacher
