Highlights of the week

Welcome Back! I hope you have had an enjoyable holiday. The children have certainly had lots of exciting stories to share.

It has been a very lively but fun week at Selwyn. On Thursday Year 2 had gardening workshop. They created animal footprints and made clay print pebbles. They definitely got messy but thoroughly enjoyed the session.

KS1 hall display looks **AMAZING!** The children and staff worked really hard on their poetry to produce work of such high quality. Well done everyone!

Congratulations to the children in Years 4 and 5 who recently received their pen licence'

We have raised £270.00 from selling poppies and British Legion merchandise this week. A huge thank you to staff, parents and children for their contributions and donations. 

Safeguarding

We have been informed children are playing an online virtual reality game, called Roblox.

This is an instant messaging site which is unmanned where children interact with strangers. News articles have highlighted the danger of this forum being used by paedophiles to groom young children.

If you would like more information about this game please view the following links.
