20th December 2018

Dear Parents and Carers,

Published KS2 SATS results

You may well already have seen the national Key Stage 2 SATS results via various media channels last week. Selwyn is delighted with their validated results, which are as follows:

- **87% of Year 6 children** reached the '**expected standard**' across reading, writing and maths - a fantastic result, which puts us in the **top 15% of all 92 schools and colleges in Newham**, and well above both the figure in London (70%) and a full 23% above the 64% national figure.
- In addition, **25% of Year 6 children** reached the more challenging '**higher standard**' in all 3 areas - an even more remarkable achievement, which puts us in the **top 7.5% of schools in Newham** and **significantly above the national figure at 10%**.

These results are testament to the relentless efforts of the children, teachers, school leaders and all the support staff at Selwyn Primary School, who work to ensure that all children in our care achieve the best possible outcomes. Our whole school community should feel very proud of both the 'expected standard' and, to an even greater extent, the 'higher standard' results, which reflect the high quality, challenging teaching at school.

I am delighted to be able to share these fantastic results with you and I would also like to take this opportunity to personally thank Helen, her Leadership Team and all school staff for their hard work and commitment to the school and the Leading Learning Trust.

I wish you a peaceful holiday break. We look forward to welcoming the children back to school on **Monday 7th January 2019**.

Emma Nicholls - CEO, Leading Learning Trust
