Selwyn Press

Highlights of the week!

We hope you all had a wonderful summer and are settled back into the routines of the new academic year? The children have all come back with renewed energy and are eager to do well in their new year groups. It has been lovely to see them all again and to catch up with all of their summer news.

Glasses

Mrs Dichio has been working in a lot of different classrooms over the past two weeks and she has noticed that there are a few children that do not have their glasses in school. Please ensure that if your child does need glasses that they have them every day.

We would also advise you to take your child for an eye test regularly. If the children cannot see the boards then they will find their learning much harder!

Family learning in our Nursery

Nursery have really enjoyed welcoming our parents and younger siblings into our class for the last 15 minutes of our sessions this week. It's a great opportunity for us to share our learning with our parents. We have had a great start and are really looking forward to continuing this new partnership. If you haven't joined us yet, all parents of Nursery children are very welcome to come in from 11.30 (morning session) or 3.05 (afternoon session) with any younger siblings too!

Don't forget: Friday 21st September 2018 is Roald Dahl day and our biscuit sale.

We can't wait to see you all dressed up as one of your favourite characters!

Attendance

At Selwyn we expect children, to be in school every day and on time. Regular school attendance enables children to make progress with their learning and meet age related learning expectations. Please try to arrange appointments out of school hours.

Last week's winners:
KS1 - **2D - 98%**
KS2 - **3B & 5B - 100%**

Achievement (5C certificates)

KS1

1E - Yazid
