Highlights of the week

Welcome to the first issue of our new weekly newsletter. We hope you enjoy this new way to keep you informed of the exciting news of our school and pupils. It has been a very busy week at Selwyn.

Children in years 3,4,5 had a pantomime performance on Tuesday afternoon by The Kenneth Moore Theatre company. They were then able to ask actors questions about what they'd seen. It was a big hit with all the children.

Year 3 they have been making bread in their gardening session. They took wheat that had been grown from the garden and ground it into flour. After grinding, they mixed together the flour, yeast, some salt and warm water to make a dough. The dough was left to rise and then shaped into loaves before going in the oven. The children all enjoyed making our own loaves of bread - especially getting messy!

We are very proud to announce that Selwyn won The Chairman's Cup award for the Spring Bulb competition set up by the London Children's Flower Society.

Five international guests visited Selwyn all the way from Holland. They were visiting schools in Newham with a focus on inclusion. They really enjoyed walking around Selwyn and learning about inclusion in our school, particularly the resource provision and how we make sure all our pupils with specific needs make progress at Selwyn. They commented on the bright displays and positive learning environment. Thank you to all the staff who took part in this event.

A message from our new Head Boy and Girl.....

“Hi everyone. My name is Zareen Hussain and I’m in 6B. I will be the new Head Girl for this academic year. I will try my best to help everyone and I’m looking forward to helping Mrs Nicholls run the school. If you need anything, you know where to find me.”
Zareen

“Hello parents! My name is Muhammad Zaid and I’m in 6P. I am looking forward to being the new Head Boy because I have never ever been in charge of anything. I am really excited to do my best for our school.”
Muhammad Zaid

Mrs Nicholls congratulated all the candidates for their impressive manifestos. A very big well done to Zareen and Muhammad Zaid who have this excellent leadership opportunity.
