My Feelings

We will be focusing on how to make the right choices in school. We will be recapping on sharing our toys and equipment with our friends too.

Also, how we can take this skills and use them at home to make the right choices all the time.

Attendance & Punctuality

At Selwyn we are committed to building upon our excellent attendance and punctuality. It is important that children are in school every day.

However, if your child is displaying any of the symptoms listed in this diagram, you **must not** send them into school and **you must** book them a PCR test straight away.

If someone in your household has tested positive for Covid-19:

- They must isolate for 10 days
- Anyone in the household, who is over 18 and not vaccinated must also isolate for 10 days.
- Children under 18 are not required to isolate unless it is them who is unwell.

PE Kit

A reminder that children will wear their PE kit for the whole day when they have their PE lesson. They can wear their school jumper, cardigan or fleece on top of their PE t-shirt until they are in their PE lesson if it is needed. If they have a PE based after school club, they need to bring their kit to school in a bag and get changed at the end of the day.
